THE FLOOR | VINTAGE
SPC | LVT | Diamond Gard™ SPC

INTRODUCTION

Vintage

Classic and stylish

the most realistic herringbone vinyl floors available with SPC, LVT and **Diamond Gard™** SPC constructions.

The collection features U-Protect™

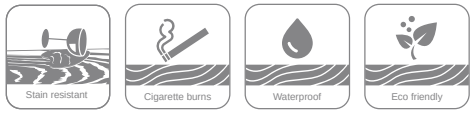
a unique coating system for ultra stain and cigarette burns resistance properties. With **Diamond Gard™** SPC additional anti-scratch is available to prevent daily scuffs and scratches.

U-protect™

Stain resistance system

U-Protect™ is a proprietary acrylic-based coating system that benefits vinyl flooring with enhanced stain resistance property.

All Power Dekor vinyl products are coated with U-Protect™ as standard.



Diamond Gard™

Scratch & scuff resistance system

Diamond Gard™ is a proprietary acrylic-based coating system that solves the main problem with typical vinyl products scuffs and scratches.

Selected Power Dekor vinyl products are coated with Diamond Gard™.
